

## Theodore Touloukian, AIA

President

Email: ttouloukian@ttarch.com

### Bio

With over 20 years of experience, Ted brings creative design insight and expertise, practical experience, effective public speaking and the ability to communicate at all levels of the profession and across a broad range of disciplines. His energetic interdisciplinary leadership experience with forward thinking design, complex planning and construction, urban design and historic projects is paired with a keen understanding for environments that are beautifully executed to improve our quality of life.
